## FEE ITEMIZATION FORM

Pursuant to Section 4 of the Michigan Freedom of Information Act, MCL 15.234 (the "FOIA" or the "Act"), the following costs will be charged for responses to FOIA requests, pursuant to the FOIA Fee Schedule adopted and periodically revised by Lowell Area Schools (District).

Y / N (circle one): A fee for labor cost is being charged because the failure to do so will result in unreasonably high costs to the District because of the nature of the request in this particular instance. Specifically, [identify the nature of this unreasonably high cost(s)].

Labor costs shall not be more than the hourly wage of the District's lowest-paid employee capable of performing the labor in the particular instance, regardless of whether that person is available or actually performs the labor. Labor costs will be estimated and charged in 15-minute time increments. All partial time increments will be rounded down. No overtime will be charged unless the person making the request provides written approval. If the number of minutes is less than 15 , there will be no charge. If the District charges to cover or partially cover the cost of fringe benefits, it will use a 50-percent multiplier to account for those benefits.
