

WEAVING ART, SCIENCE, AND NATURE THROUGH THE GARDEN

# GREEN ADVENTURES WWC SUMMER CAMP

## GREEN ADVENTURES - SESSION 1 JUNE 17, 18, 19 9:30-12:00

Green Adventures is a STEAM camp for students entering grades 2—3 in the fall of 2025. We will be using natural and recycled materials to paint, build, create, and explore the art and science of nature in different gardens at the WWC. Each day campers will work on individual projects and help build new elements for the WWC Garden Makeover.

### Session 1 Topics:

Butterflies & The Lepidoptera Trail  
Bees & Beekeeping  
Wild About Water

## GREEN ADVENTURES - SESSION 2 JULY 7, 8, 9 9:30-12:00

Green Adventures is a STEAM camp for students entering grades 2—3 in the fall of 2025. We will be using natural and recycled materials to paint, build, create, and explore the art and science of nature in different gardens at the WWC. Each day campers will work on individual projects and help build new elements for the WWC Garden Makeover.

### Session 2 Topics:

From Seeds to Plants  
Feathered Friends  
Garden Bugs: Friends & Foes
