

Lowell Ski/Snowboard Club

(For all K-12 Lowell students and their families)

Winter is upon us! It's time to get your Cannonsburg Punch Passes!

What is the Lowell Ski/Snowboard Club?

We provide Lowell Area School students and parents the opportunity to ski or board at Cannonsburg by purchasing a punch card. Cannonsburg provides a savings of up to 50% the regular lift ticket price to all participating Lowell Club Members. Parents provide transportation to and from Cannonsburg. Club cards can be used any day or time of the week (No blackout dates). We hold club nights throughout the winter, however many students meet up on their own time, too. Watch our Facebook page for dates and times and for ALL club updates/communications.

Please click on the link below to complete your registration and purchase your punch cards:
